

# MOTIVATION LETTER – ALBERT LLARGUÉS

Dear Hiring Team,

I am excited to apply for the Junior Backend Developer position. With a strong enthusiasm for backend development and cross-platform applications, I bring a unique blend of technical skills and problem-solving experience from my prior career in logistics.

After completing a two-year higher degree in Multiplatform Application Development (DAM) in Barcelona, I am currently pursuing backend development studies at Noroff University in Norway. This education has provided me with a solid foundation in backend technologies, and I am ready to apply my skills in a team that values creativity, collaboration, and innovation.

In my recent projects, I have focused on optimizing backend performance and scalability, collaborating closely with frontend teams to ensure seamless integration.

As someone dedicated to growth and continuous improvement, I am drawn to the opportunity to learn and develop within a dynamic environment.

I am enthusiastic about contributing to impactful projects and furthering my skills in backend development.

Thank you for considering my application; I look forward to the possibility of discussing how my background and skills align with your needs.

Best regards,  
Albert Llargues
